

## AMENDMENT TO THE SAILING INSTRUCTIONS No.1

### SI 23.2 Delete and replace with:

“A boat is allowed to carry on board a second mainsail, with dimensions within the limits of her current rating certificate. In case of damage of the first sail, the second sail may be substituted when the boat is not *racing*, after requesting and receiving permission of the Technical Committee via VHF. The boat shall also make a written statement as soon as she comes ashore and show her damaged main sail to the technical committee.”
